

Registration Form for 2019 Art in the County Exhibition and Sale

Entry Rules

The 26th Annual Art in the County (AIRC) show is open to artists who are residents or ratepayers of Prince Edward County AND are members of the Prince Edward Arts Council (PEACAC).

Please refer to <http://countyarts.ca/membership/> for details of the membership categories and payment options available. The PEACAC year runs from June 1 to May 31.

Artworks must have been created since Art in the County 2018 and be original, unaided work except where work is a collaboration. All works must be for sale and remain on view for the duration of the show. Artwork will be photographed by an AIRC official photographer and may be photographed by visitors. Photos may be published as part of AIRC promotional material, including on the AIRC website. Entry in the show constitutes acceptance of this.

A maximum of two (2) pieces in any medium may be entered.

- Two-dimensional works must be gallery ready and no larger than 60" x 60" (frame included) and be ready for hanging with wire and eye hooks only.
- Sculptures are to be of reasonable size. Artists submitting sculpture are responsible for moving it in and out of the gallery space.

The price established for the artwork at submission time remains for the duration of the show. When a work is sold, a 30% commission is deducted from the selling price. The balance will be forwarded to the artist as soon as possible following the show.

Although all reasonable care will be taken with works submitted, insurance of the artwork while on show premises is the sole responsibility of the artist. In addition, Prince Edward County Arts Council (PEACAC) assumes no responsibility for loss or damage to unclaimed works.

Please make a copy of this completed registration form to refer to later.
